occurs.

(6) The board is designated as a quasi-judicial board for purposes of 2-15-124, except that the requirement that at least one member be an attorney does not apply.

(7) The administrator of the division that oversees state parks is the secretary of the board.

NEW SECTION. Section 2. Powers and duties of board --
rulemaking. (1) Except as provided in subsection (2), for state parks, primitive parks, state recreational areas, public camping grounds, state historic sites, state monuments, and other heritage and recreational resources, land, and water administered pursuant to Title 22, chapter 3, part 10, Title 23, chapter 1, and Title 23, chapter 2, parts 1, 4, 5, 6, 8, and 9, the board shall:

(a) set the policies of and provide direction to the department for:

(i) the management, protection, conservation, and preservation of these properties, lands, and waters in a way that promotes their importance to tourism and the economic health of Montana;

(ii) coordinating, integrating, promoting, and furthering opportunities for education and recreation at these sites, including but not limited to camping, hiking, snowmobiling, off-highway vehicle use, horseback riding, mountain biking, and boating;

(b) work with the commission to maintain hunting and angling

these properties, lands, and waters.

(2) Pursuant to 87-1-301(1), the board does not oversee department activities related to the administration of fishing access sites.

(3) The members of the board shall hold quarterly or other meetings for the transaction of business at times and places considered necessary and proper. The meetings must be called by the presiding officer or by a majority of the board and must be held at the time and place specified in the call for the meeting. A majority of the members constitutes a quorum for the transaction of any business. The board shall keep a record of all the business it transacts. The presiding officer and secretary shall sign all orders, minutes, or documents for the board.

Section 3. Section 2-15-3110, MCA, is amended to read:

"2-15-3110. Livestock loss board -- purpose, membership, and qualifications. (1) There is a livestock loss board. The purpose of the board is to administer the programs called for in the Montana gray wolf management plan and established in 2-15-3111 through 2-15-3113, with funds provided through the accounts established in 81-1-110, in order to minimize losses caused by wolves to livestock producers and to reimburse livestock producers for livestock losses from wolf predation.

(2) The board consists of seven members, appointed by the governor, as follows:

(a) three members from a list of names recommended by the board of livestock;

(b) seek information necessary to ensure that claim documentation is complete;

(c) provide payments authorized by the board for confirmed and probable livestock losses, along with a written explanation of payment;

(d) submit monthly and annual reports to the board of livestock summarizing claims and expenditures and the results of action taken on claims and maintain files of all claims received, including supporting documentation;

(e) provide information to the board of livestock regarding appealed claims and implement any decision by the board;

(f) prepare the annual budget for the board; and

(g) provide proper documentation of staff time and expenditures.

(2) The livestock loss board may enter into an agreement with any Montana tribe, if the tribe has adopted a wolf management plan for reservation lands that is consistent with the state wolf management plan, to provide that tribal lands within reservation boundaries are eligible for mitigation grants pursuant to 2-15-3111 and that livestock losses on tribal lands within reservation boundaries are eligible for reimbursement payments pursuant to 2-15-3112.

(3) The livestock loss board shall:

(a) coordinate and share information with state, federal, and tribal officials, livestock producers, nongovernmental organizations, and the general public in an effort to reduce livestock losses caused by wolves;

(d) The contracts must provide for the payment of prevailing wages.

(e) A contract for supplies or services, or both, may be negotiated in accordance with commission board rules.

(f) Management activities must be undertaken to encourage the profitable operation of properties.

(g) Contracts may include the lease of property managed by the commission department. Provisions for the renewal of a contract must be contained in the contract.

(2) (a) Except as provided in subsection (2)(b), the commission department may not contract for the construction of a building, as defined in 18-2-101, in excess of \$300,000 without the consent of the legislature. Building construction must be in conformity with applicable guidelines developed by the national park service of the U.S. department of the interior, the Montana historical society, and the ~~Montana department of fish, wildlife, and parks~~. Funding for these projects must pass through directly to the commission department.

(b) The commission department may contract for the preservation, stabilization, or maintenance of existing structures or buildings for an amount that exceeds \$300,000 without legislative consent if the commission board determines that waiting for legislative consent would cause unnecessary damage to the structures or buildings or would result in a significant increase in cost to conduct those activities in the future.

Section 20. Section 23-2-301, MCA, is amended to read:

"23-2-301. Definitions. For purposes of this part, the following definitions apply:

(1) "Barrier" means an artificial obstruction located in or over a water body, restricting passage on or through the water, that totally or effectively obstructs the recreational use of the surface water at the time of use. A barrier may include but is not limited to a bridge or fence or any other artificial obstacle to the natural flow of water.

(2) "Class I waters" means surface waters, other than lakes, that:

(c) a flood control channel; or

(d) a hydropower inlet and discharge facility.

(7) "Lake" means a body of water where the surface water is retained by either natural or artificial means and the natural flow of water is substantially impeded.

(8) "Occupied dwelling" means a building used for a human dwelling at least once a year.

(9) "Ordinary high-water mark" means the line that water impresses on land by covering it for sufficient periods to cause physical characteristics that distinguish the area below the line from the area above it. Characteristics of the area below the line include, when appropriate, but are not limited to deprivation of the soil of substantially all terrestrial vegetation and destruction of its agricultural vegetative value. A flood plain adjacent to surface waters is not considered to lie within the surface waters' high-water marks.

(10) "Recreational use" means with respect to surface waters: fishing, hunting, swimming, floating in small craft or other flotation devices, boating in motorized craft unless otherwise prohibited or regulated by law, or craft propelled by oar or paddle, other water-related pleasure activities, and related unavoidable or incidental uses.

(11) "Supervisors" means the board of supervisors of a soil conservation district, the directors of a grazing district, or the board of county commissioners if a request pursuant to 23-2-311(3)(b) is not within the boundaries of a conservation district or if the request is refused by the board of supervisors.

Section 23. Section 23-2-408, MCA, is amended to read:

"23-2-408. Rulemaking authority. The commission board has authority to provide for the administration of the Smith River waterway. The commission board may adopt rules to:

(1) regulate and allocate recreational and commercial floating and camping to preserve the biological and social benefits of recreational and commercial use of the Smith River waterway in its natural state. Recreational use may be restricted to preserve the experience of floating, fishing, and camping in a natural environment and to protect the river's fish, wildlife, water, and canyon resources. The restrictions must:

(a) consider the tolerance of adjacent landowners to recreational use;

(b) consider the capability of the river and adjoining lands to accommodate floating and camping use; and

(c) ensure an acceptable level of user satisfaction, including minimizing user conflicts and providing for a level of solitude.

(2) restrict recreational use, if necessary, through the implementation of a permit system. An allocation of a portion of the permits may be made to licensed outfitters to preserve the availability of outfitting services to the public.

(3) regulate the activities of recreational and commercial users of the water and land in the Smith River waterway that are legally accessible to the public and regulate the land in the river corridor that is under the control of the department and

Section 35. Section 75-1-220, MCA, is amended to read:

"75-1-220. Definitions. For the purposes of this part, the following definitions apply:

(1) "Alternatives analysis" means an evaluation of different parameters, mitigation measures, or control measures that would accomplish the same objectives as those included in the proposed action by the applicant. For a project that is not a state-sponsored project, it does not include an alternative facility or an alternative to the proposed project itself. The term includes alternatives required pursuant to Title 75, chapter 20.

(2) "Appropriate board" means, for administrative actions taken under this part by the:

(a) department of environmental quality, the board of environmental review, as provided for in 2-15-3502;

(b) department of fish, wildlife, and parks, the fish, and wildlife, ~~and parks~~ commission, as provided for in 2-15-3402, and the state parks, recreation, and heritage board, as provided for

of the proposed action on the quality of the human and physical environment within the borders of Montana as required under this part.

(6) "Project sponsor" means any applicant, owner, operator, agency, or other entity that is proposing an action that requires an environmental review. If the action involves state agency-initiated actions on state trust lands, the term also includes each institutional beneficiary of any trust as described in The Enabling Act of Congress (approved February 22, 1899, 25 Stat. 676), as amended, the Morrill Act of 1862 (7 U.S.C. 301 through 308), and the Morrill Act of 1890 (7 U.S.C. 321 through 329).

(7) "Public scoping process" means any process to determine the scope of an environmental review.

(8) (a) "State-sponsored project" means:

(i) a project, program, or activity initiated and directly undertaken by a state agency;

(ii) except as provided in subsection (8)(b)(i), a project or activity supported through a contract, grant, subsidy, loan, or other form of funding assistance from a state agency, either singly or in combination with one or more other state agencies; or

(iii) except as provided in subsection (8)(b)(i), a project or activity authorized by a state agency acting in a land management capacity for a lease, easement, license, or other authorization to act.

(b) The term does not include:

limited, after April 30, 1997, to:

(a) the installation of minimal signage indicating that the island is a designated island park in which development has been limited and encouraging the public to help in maintaining the island park's primitive character by packing out trash;

(b) necessary latrine facilities if approved by the ~~fish, wildlife, and parks commission~~ state parks, recreation, and heritage board established in [section 1];

(c) footings or pilings necessary for the construction of a bridge; and

(d) oil and gas leasing.

(2) Improvements made to and agricultural operations on state-owned or state-leased island property prior to April 30, 1997, may be maintained or continued, but further development is limited as provided in this section.

(3) Notwithstanding the provisions of 77-1-203 regarding multiple-use management, the legislature finds that the highest and best use of island property administered as school trust land, except islands designated as natural areas pursuant to Title 76, chapter 12, is for recreation and grazing and that those islands should be left in as primitive state as possible to protect from the loss of potential future revenue that could result from the failure to leave the islands in an undeveloped condition.

(4) For purposes of this section, state ownership or state lease of island property is disputed if the dispute arises before, on, or after April 30, 1997."

(2) "Aquifer recharge" means either the controlled subsurface addition of water directly to the aquifer or controlled application of water to the ground surface for the purpose of replenishing the aquifer to offset adverse effects resulting from net depletion of surface water.

(3) "Aquifer storage and recovery project" means a project involving the use of an aquifer to temporarily store water through various means, including but not limited to injection, surface spreading and infiltration, drain fields, or another department-approved method. The stored water may be either pumped from the injection well or other wells for beneficial use or allowed to naturally drain away for a beneficial use.

(4) "Beneficial use", unless otherwise provided, means:

(a) a use of water for the benefit of the appropriator, other persons, or the public, including but not limited to agricultural, stock water, domestic, fish and wildlife, industrial, irrigation, mining, municipal, power, and recreational uses;

(b) a use of water appropriated by the department for the state water leasing program under 85-2-141 and of water leased under a valid lease issued by the department under 85-2-141;

(c) a use of water by the department of fish, wildlife, and parks through a change in an appropriation right for instream flow to protect, maintain, or enhance streamflows to benefit the fishery resource authorized under 85-2-436;

(12) "Existing right" or "existing water right" means a right to the use of water that would be protected under the law as it existed prior to July 1, 1973. The term includes federal non-Indian and Indian reserved water rights created under federal law and water rights created under state law.

(13) "Ground water" means any water that is beneath the ground surface.

(14) "Late claim" means a claim to an existing right forfeited pursuant to the conclusive presumption of abandonment under 85-2-226.

(15) "Mitigation" means the reallocation of surface water or ground water through a change in appropriation right or other means that does not result in surface water being introduced into an aquifer through aquifer recharge to offset adverse effects resulting from net depletion of surface water.

(16) "Municipality" means an incorporated city or town organized and incorporated under Title 7, chapter 2.

(17) "Permit" means the permit to appropriate issued by the department under 85-2-301 through 85-2-303 and 85-2-306 through 85-2-314.

(18) "Person" means an individual, association, partnership, corporation, state agency, political subdivision, the United States or any agency of the United States, or any other entity.

(19) (a) "Political subdivision" means any county, incorporated city or town, public corporation, or district created pursuant to state law or other public body of the state
